

Regional/National Committees

Regional and National Committees are the bedrock of the Fund's activities throughout the UK.

There are twelve Committees which work to promote the Fund throughout their area.

Many of them organise fundraising events which raise money for our work; they all have regular meetings to discuss future Fund policy and consider how best to develop our services.

Nine of the committees follow the Government Office for the Regions model in England.

The remaining three, National, Committees are organised across Northern Ireland, Scotland and Wales.

More information on the work of your local committee can be found [here](#).
